**GRAMMY FOUNDATION MUSIC PRESERVATION PROJECT**  
The GRAMMY Foundation Music Preservation Project highlights our year-round activities in support of our mission, from preservation grants to our Living Histories archive. The Project also draws the attention of a wider audience to our efforts and to the imperiled condition of many of our most significant recordings and other music materials. To make your tax-deductible contribution to this and future preservation initiatives, please email [kellyd@grammy.com](mailto:kellyd@grammy.com) or call 310.392.3777.
